

ABOUT CABLE CABLE

Based out of Fenelon Falls Ontario, Cable Cable is a family-owned and locally operated telecommunications company, offering internet, TV, and home phone services.

Since opening their doors in 1983, they've been devoted to offering innovative technology, developing infrastructure, and customer service excellence.

Innovative Technologies

Their roots are strong, but they always have their eye on tomorrow. They are committed to researching new, cutting-edge technologies and making them available to subscribers.

Exceptional Customer Service

Cable Cable employs 30 staff members, all living within the City of Kawartha Lakes. They are intimately familiar with their service area, easy to talk to, and there to help!

Hometown Proud

Anyone who lives in the Kawarthas knows that there's something special about the local communities. Cable Cable is proud to call the Kawarthas home, and they feel it's important to give back. Whether sponsoring local events, supporting local charities, offering FREE WIFI in public facilities, or helping 'spread the word' through their community channel, they're committed to doing their part to keep the Kawarthas great.
